

60 Student PACE's

with activity pages correlated to daily activities presented in 4 LARGE TEACHER MANUALS ... 2,000 pages!

Math
English
Social Studies
Word Building
Science

Each manual covers one-quarter year of work with detailed step-by-step teacher instructions.

Math...

association of amounts with numbers, proportions, dot-to-dot pictures and sets.

English...

sound and shape of each letter of the alphabet; activities for visual perception, visual memory, similarities and differences, motor skills, sequencing, and associations.

Social Studies...

visuals for Bible stories, activities on family and relatives, personal responsibilities, church leaders, school workers, community helpers, foreign countries, missionaries, and history.

Science...

creation and nature; seasons and weather; good habits and manners; health, nutrition, and safety; body parts and senses.

Word Building...

visuals for animal stories; emphasis on character training; reinforcement of phonetics.
